12 The Land Lease to be a forgery can be shown to be so by the absence of any entry in Govt records.

13 If the Pattah Land is filed, a Sale deed approved may be filed. At the Hearing when the Plff tries to produce the Land in evidence, the Defts may denounce it as forgery.

14 There is a distinction between the admissibility of any documents & the factum of proof of a document. In the present case the Govt cannot object to the admissibility of the so called Land in evidence - but certainly denounce it as a forgery & then the burden will be on the Plff to prove the genuineness of the document. But in evidence

15 Next Question is whether the documents when proved to be genuine affect the defence ie whether the Land establishes Kadim tenancy.

16 It appears to me that on a fair interpretation of the Land, the Plaintiff becomes a trustee of the properties & is bound to manage the affairs of the temple & to maintain Dasoha & the religious institution out of the income derived from the Lands.

I have the honor to state that the temple of Someswara at Beltur in the Mandya Taluk is a muzrai institution having been endowed with the inam lands noted in the margin. In the circumstances explained fully in the preamble portion of this office - order dated 3-4-25 in appeal case No. 14 of 24-25 (D) the Deputy Commissioner's orders directing that the lease of the lands may be allowed to stand in the name of Patel Nanjunde Gowda (the present plaintiff) for a period of five years as his contention was entitled to consideration since he was in possession of the lands for a very long time and had agreed to give a gutta of Rs 105 were modified and a re-sale of the lands for a period of five years from 1925-26 ordered to be held.

S.No.42 Wet 2-2
150 Dry 5-5
216 Wet 1-7

Against this order Patel Nanjunde Gowda has filed a civil suit in the District Judge's court, Mysore praying among other matters - to be declared as a kadim tenant of the lands in question. At the request of the Deputy Commissioner permission to engage the services of the Public Prosecutor, Mysore was granted in this office order C.No.1419 of 24-25 dated 13th June 1925. A copy of draft written (C) statement to be filed on behalf of the defendants received with Deputy Commissioner's letter of the 6th July 25 is herewith submitted for kindly obtaining the approval of the Legislative Secretary to Govt.. As the case is reported to have been posted to 15th instant for hearing I solicit the favour of immediate orders. I have, however, requested the Deputy Commissioner to instruct the Public Prosecutor to obtain a short adjournment.

The entire file of original papers ending with Deputy

Commissioner's letter of the 6th July 1925 is enclosed for reference and kind return.

To

THE SECRETARY TO THE GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE.
REVENUE DEPARTMENT.

SIR,

Referring to your letter No.86/Muzrai dated 17th July 1925, regarding the lease of the Inam lands endowed to Sri Someswara swami Temple at Belatur in the Mandya Taluk, I have the honour to state that before the written statement approved by the Legislative Secretary could be filed in the Court, the Public Prosecutor raised a preliminary objection that the suit was ~~bad~~ bad for want of notice under Section 80 of Civil Procedure Code and that consequently the Plaintiff was permitted to withdraw the suit on payment of costs and to file a fresh suit after giving the required notice.

D

2. A notice under Section 80, Civil Procedure Code, has now been received by the Deputy Commissioner from Mr. P. Sitaramaiya Pleader, intimating that if Nanjundegowda's right of Kadim tenancy over lands in dispute and management over the temple are not recognised, a suit would be filed in a court of law and that the Deputy Commissioner would be made liable for all damages to be incurred by his client.

E (copies)

3. Nanjundegowda depends mainly upon a Sannad dated 28th January 1914 alleged to have been granted to his ancestors by His Highness the late Maharaja Krishnaraj Wadeyar Bahadur, III.

(F)

4. The Deputy Commissioner requests that the genuineness and validity of the Sannad which was not produced by Nanjundegowda either in the original or appellate Court, may be determined and further instructions issued in the matter.

5. The Inam Superintendent while forwarding an extract

extract from the Inam Register pertaining to the grant states that a copy of the Sannad is not available in his office.

5. The Chief Secretary to Government who was also written to in the matter intimates that neither a copy of the Sannad nor an extract from the Sha Amal Diary is available and that the accounts for 1854-55 show that the land was in the enjoyment of the worshipper or Pujari of the temple, one Thammadi Chennaiah.

6. From the Inam Register, it will be seen that there is no reference to the Sannad now produced for the first time - and that the settlement has been made on the Jodi account of 1844 -.

7. In these circumstance, I request you to be so good as to consult the Legislative Secretary to Government and favour me with his opinion as to whether the Sannad - the genuineness of which document is open to doubt - can be admitted in evidence and whether its production alters the position as defined in the appeal order and whether the written statement already prepared requires any alteration.

8. As the plaintiff has to be dispossessed of the land after the expiry of 6 months from the date of order, I solicit the favour of immediate instructions.

9. Corresponoence in original is enclosed for reference and kind return.

You will notic from my pleas that I take objection to the filing and maintainablili t of the present suit in the matter of a Muzrai Institution wherein th grant is a Government Inam. After scrutiny of the Muzrai Regulation, I am inclined to opine that Suits Contemplated u/s 12 of the Regulation apply only to Muzrai Insititutions when grants are made by private parties and that section 14 is the section applicable when the sai grants are endowed by Government or by the ruling Sovereign. No su lies when a Muzrai Officer acts under section 14 and the only way which such action could be revised or amended, if at all, would be under sections 22 and 23 of the Muzrai Regulation. This objection may, with advantage, be urged in the Maddur temple suits viz., Surappa's and Shanta's suits. The objection being one of law, ment may request the Government Advocate to file a formal applica as an additional appeal plea (if necessary) in the appeals pendi before the Chief Court.

The case referred to above is
for arguments.

I have taken exception to the maintain
of the suit on the ground that Sec. 12 of the
Mayrai Regulation contemplates only cases
grants made by private individuals and
not therefore applicable to the facts of the
present case. That the order of the
Mayrai Commissioner is final, acting as
this under Sec. 14 of the Mayrai Regulation
which does not refer to grants made by
Government.

In objection I have taken for the first
time in this Mayrai case after a careful
perusal of the sections in Mayrai Regulation
I hope the contention will prevail.
This argument was not advanced in
Suntas and Suraparis Mayrai suits
which are now in appeal before the Hon'ble
Supreme Court, the learned Govt. Advocate
may be requested to advance this argument
in the two Mayrai cases before the Hon'ble
Supreme Court.

The remaining arguments in the case
(regarding mode of service) I contemplate
to be intimated to you in due course
